THE TURF.

Taral Says His Highness Is the Best Horse He Ever Rode.

POTOMAC WAS NOT FIT.

Programmes for Saratoga Meeting Are Out—Other Track Talk.

When Fred Taral dismounted after the conclusion of the fifth race at Sheepshead Bay yesterday he looked admiringly at his Highness and exclaimed: "That's the best horse I ever rode." His Highness certainly proved himself a race horse yesterday, and Trainer Ryland was not far from being advised by his friends to back the colt in the Suburban Handicap. Yesterday his Highness gave the pot to every one of his competitors, including Potomac, Rex, Lepanto and King Crab, and defeated them easily in the last time of 1:40.25. Taral did not raise a hand until the head of the stretch was reached. Then he moved up and passed Lepanto so easily that he concluded it was a walk for the rest of the journey, and so let his Highness down a trifle. Lepanto came at him again, and so gamely that in the last few strides Taral was forced to shake his mount up a trifle to win. Rex was a miserable third and Potomac a very bad last.

Regarding Potomac, it may be said that the public is beginning to tire of seeing Mr. M. F. Dwyer's horses go to the post in an unfit condition. It is true that the experts could see that Potomac was in no condition to race, but there are thousands of people who, knowing how good a horse Potomac is, bet on him taking it for granted that his owner would give them a fair run by sending the colt to the post in something like condition. Mr. Dwyer, however, like his brother Philip, has the utmost contempt for the opinion of the public. The Board of Control, if sincere in its profession to elevate the turf, should certainly compel owners, no matter how influential they may be, to send their horses to the post in fit condition. Trainers Matt Hyman, W. F. Sullivan, William V. Lake and others would do well to take note of this. There is no reason why Mr. Dwyer should be entitled to any more consideration than Mr. Shields. The public makes its wagers assuming that all horses in the race are fit, and they are certainly entitled to a fair run for their money.

The performances of Fidelio, Lepanto and Pagot during the past few days have opened the eyes of many people. A few days ago yesterday he beat such good horses as Russell, Walcott, Bontal and others. Fidelio at Morris Park finished last to St. Florian, Alcazar, Oak and St. Anthony. On Tuesday he ran a mile and a half, beating Shellback, Mrs. Pickpocket and others. Surely the Board of Control will not be so much interested in the result of a race as they are in the result of a race. Day is a bosom friend of several influential turfmen and confidential tipsters.

A disgraceful scene occurred in the ring yesterday. Two bookmakers engaged in a fight, and one, it is said, drew a revolver. Fortunately the would-be shooter was grabbed before he had a chance to use a deadly weapon. If all accounts be true the "gentleman" with the "gun" was the disturber, and he should be severely dealt with. Influence, that powerful factor on the big track, will probably save him, however.

August Belmont has sold the two-year-old colt, Light to W. C. Daly for \$1,500 and \$500 when the colt is a winner of \$5,000.

Secretary Sam Whitehead was at work about the track yesterday distributing the programme for the first three days of the programme is certainly a very attractive one, and many well-known horsemen have signed their intention of going to "Horse Heaven" in preference to Mumukshu Park. There is a chance that there will be no betting. There are two stakes to be run today, and the fact that these are of a valuable value will send good horses to the track. An extra day's entrance to purses will be free. From all prospects the Saratoga meeting this year will be one of the best ever seen at that celebrated summer resort.

Locohatchee worked a mile and quarter in 1:56.4 yesterday afternoon in very easy style. St. Florian also worked the same distance in 2:11. Both colts are said to be sure starters in Friday's sweepstakes.

It is said that Mr. M. F. Dwyer is so confident that his colt will win on Saturday that he offered to take Mr. Speer's end of it. The latter, however, believes he has a good thing and refuses to give it up.

Brighton Beach's programme for the first three days is out and credit must be given to Secretary Speer for its excellent make-up. Bets are made for July 4, opening day, including a sweepstake which in itself will attract a large crowd.

Counterfeit money for Reer. Patrick Kelly, of 344 East Sixty-third street, was charged in Yorkville court this morning with offering a counterfeit silver dollar at Nicholas O'Connor's saloon, Seventy-ninth street and First Ave. He was turned over to the United States Commissioner.
